

STOFANEL INVESTMENT AG PRESS RELEASE

WINNERS OF EUROPEAN PROPERTY AWARDS REVEALED IN LONDON'S MAYFAIR:

TILIA LIVING RESORT AT LAKE GRIEBNITZSEE AWARDED WITH THE EUROPEAN PROPERTY AWARDS WITHIN THE CATEGORY "DEVELOPMENT MULTIPLE UNITS"

London, Sept 27, 2011: In association with Google and Bloomberg Television, Europe's finest developers, architects, interior designers and real estate agents gathered at The Park Lane Hotel in Mayfair, London on Friday (September 23rd) for the announcement of the winners of the hotly contested European Property Awards.

At the gala awards presentation, **the STOFANEL project TILIA Living Resort at lake Griebnitzsee in Berlin, winning project of the German developments, was awarded Highly Commended within the category "Development Multiple Units".**

Giovanna Stefanel-Stoffel, founder and art director of STOFANEL Investment, is more than happy to see her project being awarded. "We were always convinced that the beauty of the location will develop a new home which offers harmony of nature, architecture and man everyday and thus, fulfills the needs of the future inhabitants. Being awarded proves us that we are following the right track – offering life quality without compromise."

The event was part of the International Property Awards which is now in its 17th year and has become recognised as the highest standard of excellence throughout the global industry. Attaining one of these coveted awards is evidence that the STOFANEL Investment AG is capable of excelling over some very strong contenders within the highly competitive European property arena. Judging is carried out through a meticulous process involving a panel of over 80 experts and covering every

aspect of the property business. The judges are not only looking for the most impressive and innovative projects, they are also examining the sustainability and eco-friendliness of every property and development that comes under their scrutiny.

President of the International Property Awards, Stuart Shield, says, “Every year we see entries from new countries keen to grab the limelight and, as this competition has proved over the years, innovation, flair, imagination and originality know no bounds. This is what makes the results of the competition so exciting.”
